Pre-Registration Is Required!!!

Early Pre-Registration Is Encouraged!!!

The Museum of Aviation Education Department is excited to present the Georgia Annual Young Astronauts' Day on May 12, 2012!

PRE-REGISTRATION: In order for YAD to be successful, all groups and individuals must have an adult who will be responsible for organizing pre-registration. For explanation purposes, the following pages refer to this person, whether it is for a group or an individual, as the “Organizer”. The Organizer will be the main point of contact. Attached is the Pre-Registration Packet. The Pre-Registration Packet includes a list of flights and descriptions (page 4); Pre-Registration Form (page 5) and Release and Waiver Form (page 6). Each group/individual must submit a completed Pre-Registration Form, Release & Waiver Form and payment in full. Please remember the earlier you pre-register the better your chances of getting your preferred flight. **Payments are non-refundable.**

FLIGHTS: Listed on page 3 are the “flights”, descriptions and suggested grade levels. In order for flight selections to be fair, they are assigned on a first-come first-serve basis. Each participant will be assigned 1 flight. We ask each participant to select the 2 flights he/she prefers most. We will try to place each participant in 1 of his/her preferred flights, but it is not guaranteed. The earlier you pre-register the better your chances of getting the preferred flight. Please list preferred flight on Registration Form by color (blue, red, yellow, green or orange). Participants must attend their assigned flight. All workshops for each flight are scheduled to be held in one building. **Therefore, participants are not allowed to switch from flight to flight.**

RELEASE AND WAIVER FORMS: All participants must submit a completed Release and Waiver Form (page 6) signed by his/her parent or guardian. Please be sure there is an emergency contact number where the participant’s parent/guardian can be reached on May 12, 2012. In order to save paper for Group Registrations, multiple Release and Waiver forms were put on one page. If an individual is pre-registering, they would only complete one of the Release and Waiver Forms. The **Organizer** for each group is responsible for copying, distributing, and collecting the Release and Waiver Form for each participant.

LUNCH ORDERS FOR ADULTS: Parents or guardians who wish to attend YAD and purchase a lunch must complete required information on Registration Form and send payment of \$5 per lunch with Pre-registration Packet.

PAYMENT: The fee for Young Astronauts’ Day is \$35 per participant which includes an opening ceremony, 1 flight (3 workshops) and lunch. Please make checks payable to “MOA Education Dept.” Please note on the check that it is for Young Astronauts’ Day. For Group Registrations, the Organizer is responsible for collecting payment. Full payment, including payment for all participants and any adult lunch orders, must accompany Pre-registration Packet. **All payments are non-refundable.** If a pre-registered participant cannot attend, substitutions are permitted. Substitutions must attend flight assigned to pre-registered participant.
